Section 3.

3. Every license to be granted under the provisions of Bengal Act VIII of 1871 shall be in the absolute discretion of the

Justices at a meeting, provided that before any application for such license shall be considered by the Justices at a meeting, the Chairman of the Justices shall cause the place, in respect of which application has been made, to be inspected by not less than three Justices, whose report shall be laid before the Justices at a meeting.

4. It shall be lawful for the Justices from time to time, if they shall think fit, with the sanction of the Lieutenant-Governor, to acquire land by purchase, lease, or otherwise, in order to provide places within the limits of the Town of Calcutta for the purpose of being used as markets, and for the like purpose, to purchase, or take on lease any land now used within such limits as a market (other than a market as defined in this Act), or registered as such, upon such terms, or subject to such conditions as they may consider necessary, and to appropriate any land now vested in or belonging to them, and to set out the

whole or such parts thereof as they may think necessary for the purposes of such markets, and thereupon from time to time to build and maintain such markets and such stalls, sheds, pens, and other buildings or conveniences for the use of the persons frequenting such markets, and for weighing and measuring goods sold in such markets and on such land as aforesaid, or on other land purchased for that purpose to make and maintain all such roads and approaches thereto as they may think necessary, and from

time to time to make such bye-laws as they may think fit for all or any of the following purposes:—

6. It shall be lawful for the Justices to close any market, or any part thereof, or to sell, or to let out to tenants, on lease or otherwise, any land heretofore used as a market, or any part thereof, on such terms as they may think fit, and to do all things necessary for carrying the provisions of this section into effect.

7. The Justices shall, with regard to bye-laws under this Act, have the same and the like powers as are given to the Justices with regard to bye-laws under Section 218 of Bengal Act VI of 1863, and all bye-laws made under this Act shall be subject to the same and the like rules as to alteration, confirmation, and publication, as are enacted in Sections 219, 220, 221, and 223 of Bengal Act VI of 1863.

8. All bye-laws made and sanctioned under this Act, in addition to being published as provided in Section 221 of Bengal Act VI of 1863, shall also be painted or placed on boards, and put up in the English and Bengalee languages in some conspicuous place in every market.

10. For the acquisition of land for the purposes set out in Section 4 of this Act, and for the purposes mentioned in the last preceding Section of this Act, the Justices may, from time to time, with the sanction of the Lieutenant-Governor, borrow, in addition to the sums mentioned in Section 9 of Bengal Act IX of 1867, Section 15 of Bengal Act VIII of 1871, and Section 1 of Bengal Act I of 1872, at such rate of interest, and upon such terms as to the time of repayment or otherwise, as the Justices, with the previous sanction of the Lieutenant-Governor, may approve, any sums of money the Justices may require for the objects aforesaid, not exceeding in the aggregate seven lakhs of rupees.

11. Every prosecution in pursuance of this Act, or of any Act incorporated therewith, shall be instituted before a Justice of the Peace, and every fine or penalty imposed by any bye-laws made in pursuance of this Act, or of any Act incorporated therewith, shall be recovered, enforced, and applied in the same manner as fines and penalties are directed to be recovered, enforced, and applied by Sections 233 and 234 of Bengal Act VI of 1863.

## CHAPTER VI.

### OF PORT-DUES.

**45.** In each of the ports mentioned in the first schedule hereto annexed, such port-due not exceeding the amount specified for such port in the third column of the same schedule as the Local Government from time to time directs shall be levied on vessels entering the same port and described in the second column of the same schedule, but not oftener than the time fixed for such port in the fourth column of the same schedule.

Whenever the Local Government with the previous sanction of the Governor General in Council has declared or hereafter declares any port to be subject to this Act, it may, with the like sanction by the same or any subsequent declaration, further declare—

(a) The maximum amount of dues to be levied in such port;

(b) The conditions and modifications under which such dues shall be levied;

and may also, from time to time with the like sanction, vary such maximum amount, condition, and modifications.

No Port-dues or fees shall hereafter be levied in any port except under the authority of this Act.

**46.** The Local Government may, from time to time, vary the rate at which Port-dues and fees shall be levied in any port, river or channel in such manner as, having regard to the receipts and charges on account of that port, it may deem expedient, by reducing or raising the dues and fees, or any of them;

Provided that the rates shall not in any case exceed the amount authorized to be taken by this Act.

**47.** For every port at which Port-dues are levied under this Act, a distinct account, to be called the Account of the Port Fund of the port to which it relates, shall be kept by such officer as the Local Government may appoint for that purpose.

This account shall show in complete detail the receipts and charges of the port; and an abstract statement of every such account shall be published annually, as soon after the first of May of each year as may be practicable, in which statement the balance at the close of the year at the credit or debit of the port shall be shown.

If, for any of the purposes of this Act, an advance of money has been or shall be made by Government on account of any port subject to this Act, simple interest upon that advance, or upon so much of it as remains or shall remain unpaid, at such rate as the Governor General in Council may determine, shall be charged in the Port Fund Account thereof.

All expenses, including the pay and allowances of all persons upon the establishment of the port, the cost of buoys, beacons, lights, and all other works maintained chiefly for the benefit of vessels being in, or entering, or leaving the port, or passing through the rivers or channels leading thereto, but excluding receipts and expenses on account of Pilotage, incurred for the sake of every such port, shall be charged in the Port Fund Account of that port.

And all money, including salvage money, proceeds of waifs, and fines, received under this Act, at or on account of every such port, shall be credited in the Port Fund Account of that port.

The Local Government may direct that for the purposes of this section any number of ports shall be regarded as constituting a single port; and thereupon all sums received on account of port-dues at any of the same ports shall form a common fund which shall be available for the payment of all charges incurred on account of any of the same ports, and such balance as may remain after payment of such expenses may be temporarily invested in such manner as the Local Government may from time to time direct.

**48.** The Collector of Customs at every such port, or such other officer as the Local Government appoints in this behalf, shall collect the Port-dues above-mentioned.

The officer to whom any such Port-dues are paid, shall grant to the person paying the same a proper voucher in writing under his hand, describing the name of his office, the port or place at which the same are paid, and the name, tonnage and other proper description of the vessel in respect of which such payment is made.

**49.** Within twenty-four hours after the arrival within the limits of any such port of any vessel liable to the payment of port-dues under this or any subsequent Act, the master of such vessel shall report such arrival to the Conservator of such port.

Any master without lawful excuse failing to make such report within the time aforesaid shall for every such offence be punished with fine which may extend to one hundred rupees.

Nothing in this section applies to tug-steamers and river-steamers belonging to the port of Calcutta, Port Canning, or the port of Karachi.

**50.** If any vessel liable to the payment of Port-dues is in any such port without proper marks on the stem and stern posts thereof for denoting her draught, the Conservator may cause the same to be ascertained by means of the operation of hooking, and the Master of such vessel shall be liable to pay the expenses of such operation.

**51.** In order to ascertain the tonnage of any vessel liable to pay Port-dues the following rules shall be observed:—

*Clause 1.*—If such vessel be a British registered vessel, or a vessel registered under Act No. X of 1841, or Act No. XI of 1850, or under the laws for

the time being in force for the registration of vessels in India, the Conservator may require the owner or Master of such vessel, or any person having possession of her register, to produce such register for inspection. If any such owner, Master, or other person as aforesaid neglect or refuse to produce such register, or otherwise to satisfy the Conservator as to what is the true tonnage of the vessel in respect of which such Port-dues shall be payable, he shall be punished with fine which may extend to one hundred rupees, and the Conservator may cause such vessel to be measured, and the tonnage thereof to be ascertained; and in such case the owner or Master of such vessel shall also be liable to pay the expenses of such measurement.

**Clause 2.**—If such vessel be not a British registered vessel, or a vessel registered under Act No. X of 1841, or Act No. XI of 1850, or under the laws for the time being in force for the registration of vessels in India, and the owner or Master thereof fail to satisfy the Conservator as to what is her true tonnage according to the mode of measurement prescribed by the law in force for the time being for regulating the measurement of British registered vessels, the Conservator shall cause such vessel to be measured and the tonnage thereof, according to the mode aforesaid, to be ascertained; and in such case, the owner or Master of such vessel shall be liable to pay the expenses of such measurement.

**52.** If the Master of any vessel, in respect of which any Port-dues, fees, or charges are payable under this Act refuses or neglects to pay the same on demand, the Collector of Customs, or other person authorized to collect such Port-dues, fees or charges, may detain or arrest such vessel, and the tackle, apparel, and furniture belonging thereto, or any part thereof, and detain the same until the amount due is paid;

and, in case any part of the said Port-dues or charges, or of the costs of the distress or arrestment, or of the keeping of the same, remains unpaid for the space of five days next after any such distress or arrestment so made, the Collector of Customs, or other such person as aforesaid, may cause the vessel or other thing so distrained or arrested to be sold, and with the proceeds of such sale may satisfy the Port-dues, charges, and costs, including the costs of sale remaining unpaid, and shall render the surplus (if any) to the Master of such vessel upon demand.

**53.** The Officer of Government, whose duty it is to grant a Port-clearance for any vessel, shall not grant such Port-clearance until her owner, or Master, or some other person, has paid all Port-dues, fees and charges to which such vessel, or the owner or Master of such vessel in respect thereof, is liable under this or any subsequent Act.

**54.** If the Master of any vessel in respect of which any Port-dues, fees, or charges are payable causes such vessel to leave any port without having discharged such dues, fees, or charges, the Collector of Customs or other officer authorized to collect the same may require in writing the Collector of Customs

or other Officer as aforesaid, in any other Port in British India to which such vessel may proceed or in which she may be, to levy such dues, fees, or charges;

Every Collector or other officer to whom such requisition shall be directed shall proceed to levy such dues, fees, or charges in the manner prescribed in section fifty-two; and a certificate purporting to be made and signed by the Collector of Customs or other officer as aforesaid of the port where the Port-dues, fees, or charges became payable, stating the amount so payable, shall be sufficient *prima facie* proof of such amount in any proceeding under the said section, and also (in case the amount payable is disputed) in any subsequent proceeding under section sixty-nine.

**55.** If the Master of any such vessel evades the payment of any Port-dues, fees, or charges payable under this Act, he shall be liable on conviction to a penalty not exceeding five times the amount so payable. In any proceeding before a Magistrate for the adjudication of the said penalty, any such certificate as is mentioned in section fifty-four stating that the Master has evaded such payment, shall be sufficient *prima facie* proof of the evasion, unless the Master shows to the satisfaction of the Magistrate that the departure of the vessel without having discharged the dues, fees, or charges payable was caused by stress of weather or that there was lawful or reasonable ground for such departure.

Any Magistrate having jurisdiction under this Act in any port, river, or channel to which the vessel may proceed or in which she may be found, shall be deemed to have jurisdiction in any proceeding under this section.

**56.** No port-due shall be chargeable in respect of any vessel which, having left any port, is compelled to re-enter it by stress of weather or in consequence of having sustained any damage.

**57.** Vessels entering any port in ballast shall be charged with three-fourths of the port-due which would otherwise be chargeable.

**58.** When any vessel enters any port, but does not discharge or take in any cargo or passenger therein (with the exception of such unshipment and reshipment as may be necessary for purposes of repair), the Port-due chargeable in respect of such vessel shall be at a rate equal to one-half the rate chargeable in respect of other vessels.

**59.** The Governor General in Council may order the consolidation and commutation of any port or harbour duties as levied in any subordinate port in British India into a tonnage duty.

Provided that the total amount levied at such port shall not exceed one anna per ton for British and Native vessels, not exceeding seven hundred tons, and upon vessels exceeding that measurement at the rate for seven hundred tons, and upon foreign European and American

vessels at the rate of one anna four pie per ton. All vessels anchoring in any such subordinate port shall be charged with reduced duty in the proportion above provided they leave such port without breaking bulk before completing four entire days from the time of anchoring therein.

The said consolidated and commuted port duties shall be levied by such officer as the Local Government appoints, and the port clearance may be withheld from the vessel until the port duties incurred in respect thereof may be paid.

And all powers, penalties, and other means by which any port or harbour duty so consolidated and commuted may have been legally enforced shall be applicable to the enforcing of the consolidated and commuted duties at such port.

#### *Hospital Port-Dues.*

**60.** The Local Government may from time to time order that there shall be paid in respect of every ship lying in any port, within a reasonable distance of which there may be a public hospital or dispensary suitable for the reception or relief of seamen requiring medical aid, such further Port-dues not exceeding one anna per ton as the Local Government thinks fit.

Such Port-dues shall be called Hospital Port-dues.

No order imposing or increasing Hospital Port-dues shall take effect until the expiration of six months from the day upon which such order has been published in the local official Gazette.

**61.** Such Hospital Port-dues shall be applied, as the Local Government may direct, to the support of any such hospital or dispensary as aforesaid or otherwise for giving medical aid to the seamen ashore or afloat in such port.

#### *Refusal of Port-clearance.*

**62.** The officer in charge of any Custom-house may refuse Port-clearance to any vessel

(a) until all Hospital Port-dues incurred in respect of such vessel have been duly paid;

(b) until all expenses, which by the Merchant Shipping Act, 1854, section 228, are to be borne by the owner thereof, incurred since the arrival of such vessel in the Port from which she seeks clearance, have been duly paid.

#### *Composition for Port-Dues.*

**63.** The owner of any vessel may pay to the Conservator of any port three times the amount of the Port-dues or Hospital Port-dues which would be payable in respect of such vessel; and such vessel shall thereupon be discharged from all further Port-dues or Hospital Port-dues in such port for twelve months from the date of such payment.

#### *Fees for certain services.*

**64.** Within any port to which this Act applies, other than the port of Bombay, fees may be charged for the following services at such rates, not exceeding those next hereinafter specified,

as the Local Government may, from time to time, direct:—

	Rs.
a. Hauling to or from chain-moorings, each operation	16

## CHAPTER VII.

### OF PENALTIES.

**65.** All offences against this Act shall be punishable in a summary manner by a Magistrate. And any Magistrate may, by warrant under his hand, cause the amount of any such penalty imposed upon the owner or Master of any vessel, for any offence committed on board of such vessel, or in the management thereof, or otherwise in relation thereto, whereof such owner or Master is convicted, to be levied by distress and sale of such vessel, and the tackle, apparel and furniture thereof, or so much thereof, as is necessary.

**66.** In case of any conviction under this Act, the convicting Magistrate may order the offender to pay the costs of such conviction, in addition to any fine or expenses to which he may be liable.

Such costs may be assessed by the Magistrate, and may be levied and recovered in the same manner as any fine under this Act.

**67.** Whenever any person is liable, under the provisions of this Act, to pay any sum of money, damages, or expenses not exceeding one thousand rupees, the same may be recovered

and levied in the same manner as any fine under this Act, and, if necessary, the amount thereof may be fixed and assessed by the Magistrate before whom the case is tried.

68. Whenever any fine, damages or expenses is or are levied under this Act, by distress and sale, the costs of such distress and sale may be levied in addition to such fine, damages or expenses, and in the same manner.

69. If any dispute arise concerning the amount leviable by any distress or arrestment by virtue of this Act, or the charges or costs payable under the last preceding section, the person making such distress or using such arrestment may detain the goods, distrained or arrested, or the proceeds of the sale thereof, until the amount to be levied has been determined by a Magistrate, who, upon application made to him for that purpose, may determine such amount, and award such costs to be paid by either of the parties to the other of them, as he thinks reasonable; and payment of such costs, if not paid on demand, shall be enforced in the same manner as any penalty under this Act.

70. Any person offending against the provisions of this Act, in any port, river or channel subject to this Act, shall be punishable by any Magistrate having jurisdiction over any district or place adjoining such port, river or channel, or adjoining either side of that part of the navigable river or channel in which such offence is committed;

Such Magistrate may exercise all the powers of a Magistrate under this Act, in the same manner and to the same extent as if the offence had been committed locally within the limits of his jurisdiction, notwithstanding the offence may not have been committed locally within such limits; and in case any such Magistrate exercise the jurisdiction hereby vested in him, the offence shall be deemed, for all purposes, to have been committed locally within the limits of his jurisdiction.

71. No conviction, order, or judgment of any Justice of the Peace shall be quashed for error of form or procedure, but only on the merits;

and it shall not be necessary to state, on the face of the conviction, order or judgment, the evidence on which it proceeds; but the depositions taken, or a copy of them, shall be returned with the conviction, order or judgment, in obedience to any writ of *certiorari*;

If no jurisdiction appears on the face of the conviction, order or judgment, but the depositions taken supply that defect, the conviction, order or judgment shall be aided by what so appears in such depositions.

## CHAPTER VIII.

Such fine shall be in addition to any other penalty recoverable under the said Statute or any future Statute to be made in that behalf.

It shall be lawful for any officer of Her Majesty's Navy, within the limits of such port, river or channel, or for the Conservator of such Port, to enter on board any such vessel, and to seize and take away any flag, jack, pendant, or colour so unlawfully hoisted, carried, or worn on board the same.

73. Any Magistrate, upon an application being made to him by the Consul of any Foreign power to which the Foreign Deserters' Act (1852) has by an order of Her Majesty in Council been, or shall hereafter be, declared to be applicable, and upon complaint on oath of the desertion of any seaman, not being a slave, from any ship of such Foreign power, may, until a revocation of such order in Council has been publicly notified, issue his warrant for the apprehension of any such Deserter, and, upon due proof of the desertion, may order him to be conveyed on board the vessel to which he belongs, or, at the instance of the Consul, to be detained in custody till the vessel is ready to sail, on deposit being first made of such sum as the Magistrate deems necessary for the subsistence of the Deserter during such detention; provided that the detention of such Deserter shall not be continued beyond twelve weeks.

74. The provisions contained in sections eleven and twenty-two shall be applicable to all ports heretofore or hereafter declared by the Local Government to be ports for the shipment and landing of goods, and may be enforced by any Magistrate to whose ordinary jurisdiction any such port is subject. Any penalties imposed by him, and any expenses incurred by his order under the said provisions, shall be recoverable respectively in the manner provided in sections sixty-five and sixty-seven.

In any of the said ports the consent referred to in section twenty-two may be given by the principal officer of customs at such port or by any other officer in that behalf appointed by the Local Government.

75. Act No. XIII of 1867, section one, shall be read as if for the words "and such port-due" the following words were substituted (namely),—"The port-due leviable under the Indian Ports Act, 1874, in either of the ports of Maulmain and Bassein."

## STATEMENT OF OBJECTS AND REASONS.

The primary objects of this Bill are three: one to empower the Local Governments in all the principal ports of British India to levy a moderate duty for the support of local hospitals to which seamen resort for medical aid. The duty will in no case exceed one anna per ton, and will be leviable in respect of all merchant-ships lying in such ports. Under Bengal Act III of 1867, the Lieutenant-Governor of Bengal has already this power as regards vessels lying in the port of Calcutta.

In ports to which the present Port Act extends, ships of over 200 tons burden cannot be moved without having a pilot, &c., on board, and smaller vessels cannot be moved without the authority of the Conservator. The second object of the Bill is to extend this rule to the navigable channels leading to those ports.

Its third object is to provide for the arrest of foreign deserters in any port of British India on the application of the Consul of any foreign power to which the Foreign Deserters Act, 1852, has been declared applicable. Similar provisions are in force in the ports of Bombay (Act XIII of 1856, s. 117), Calcutta (Bengal Act IV of 1866, s. 103) and Madras (Madras Act VIII of 1867, s. 80.)

As the law relating to ports and port-dues is now contained in no less than twenty-two Acts, it has been thought more desirable to consolidate these laws with the additions above specified than to add a twenty-third to their number.

The Bill is divided into eight chapters:

Chapter I contains the usual preliminary matter.

Chapter II empowers the Local Governments to extend the proposed Act to any port to which it will not in the first instance apply, to alter the limits of any port in which the proposed Act may be in force, and to make port-rules for the purposes mentioned in Act XXII of 1855, section 7. The opportunity has been taken to define 'high-water mark' as the medium high tide between the springs and the neaps (*Atty. Gen. v. Chambers*, 4 DeG. Mac. & G. 206, 218).

Chapter III deals with the Conservator and other Port-officers and describes their powers and duties. A clause (17) taken from the Bengal Act III of 1865 empowers any Conservator, for the purpose of extinguishing fires in his port, to require the master of any ship of more than 500 tons burden to place at his disposal three-fourths of the crew then under such master's orders. In other respects this chapter makes no substantial change in the law.

Chapter IV contains sundry rules for the safety of shipping and the preservation of ports. There is nothing substantially new, except a clause (copied from Bengal Act III of 1867) imposing a penalty on any master who wilfully omits to take order to extinguish fire on board his ship; and another clause (taken from Bengal Act III of 1865) empowering the Local Government to make rules for the prevention of fire from petroleum and other inflammable oils.

Chapter V relates to the subject of salvage in ports and is equivalent to sections 38 and 39 of Act XXII of 1855.

Chapter VI relates to Port-dues. The provisions of Act VII of 1873, under which the Local Government extending the proposed Act to any port may declare the maximum amount of dues to be levied therein, (but within the limits of a statutory maximum), and the conditions and modifications under which such dues shall be levied, have been made applicable to all ports of British India not now subject to Act XXII of 1855.

Power has been given to the Local Governments to direct that for the purposes of port-fund accounts any number of ports shall be regarded as constituting a single port. Similar provisions are contained in Madras Act VII of 1867 and Bombay Act XI of 1866.

The rules relating to port-dues chargeable on vessels re-entering ports from stress of weather, entering in ballast, or not discharging or taking in cargo or passengers, which are now repeated in many local Acts, have been made of general application. A general power also has been given to compound for port-dues.

A general clause has been introduced fixing the maximum fees for certain services, such as hauling, remooring, removing from one part of the port to another, hooking and measuring. Similar clauses are to be found in Act XXX of 1857, Bengal Act I of 1863, and Madras Act VII of 1867.

A provision taken from Bengal Act III of 1867 has been introduced to authorise the refusal of port-clearances until the payment of the expenses attendant on the illness or death of masters, seamen and apprentices, which, under the Merchant Shipping Act (17 & 18 Vic., c. 104) s. 228, are to be defrayed by the ship-owner.

Chapter VII contains the general provisions as to penalties found in Act XXII of 1855, sections 55 to 59, 63 and 64. And Chapter VIII provides for the arrest of foreign deserters and contains a few other miscellaneous provisions.

The Bill is followed by two Schedules: The first shows in a tabular form—(a) all the ports in which Act XXII of 1855 is now in force, and to which the present measure will apply in the first instance; (b) the ships on which dues will be levied; (c) the maximum rate per ton; and (d) how often the rate will be leviable. The second schedule specifies the enactments which the Bill if it become law will remove from the Statute-book.
